## BENEFIT SUMMARY

Cigna Health and Life Insurance Co.  
For - Outwest Express, LLC  
Open Access Plus Plan  
Mid  
Effective - 08/01/2023

**Selection of a Primary Care Provider** - your plan may require or allow the designation of a primary care provider. You have the right to designate any primary care provider who participates in the network and who is available to accept you or your family members. If your plan requires designation of a primary care provider, Cigna may designate one for you until you make this designation. For information on how to select a primary care provider, and for a list of the participating primary care providers, visit [www.mycigna.com](http://www.mycigna.com) or contact customer service at the phone number listed on the back of your ID card. For children, you may designate a pediatrician as the primary care provider.

**Direct Access to Obstetricians and Gynecologists** - You do not need prior authorization from the plan or from any other person (including a primary care provider) in order to obtain access to obstetrical or gynecological care from a health care professional in our network who specializes in obstetrics or gynecology. The health care professional, however, may be required to comply with certain procedures, including obtaining prior authorization for certain services, following a pre-approved treatment plan, or procedures for making referrals. For a list of participating health care professionals who specialize in obstetrics or gynecology, visit [www.mycigna.com](http://www.mycigna.com) or contact customer service at the phone number listed on the back of your ID card.

**A notice for Texas residents:** This plan does not include an optional rider to cover elective abortions.

## Pharmacy Program Information

### Pharmacy Clinical Management: Essential

Your plan features drug management programs and edits to ensure safe prescribing, and access to medications proven to be the most reliable and cost effective for the medical condition, including:

- Prior authorization requirements
- Step Therapy on select classes of medications and drugs new to the market
- Quantity limits, including maximum daily dose edits, quantity over time edits, duration of therapy edits, and dose optimization edits
- Age edits, and refill-too-soon edits
- Plan exclusion edits
- Current users of Step Therapy medications will be allowed one 30-day fill during the first three months of coverage before Step Therapy program applies.
- Your plan includes Specialty Drug Management features, such as prior authorization and quantity limits, to ensure the safe prescribing and access to specialty medications.
- For customers with complex conditions taking a specialty medication, we will offer Accredo Therapeutic Resource Centers (TRCs) to provide specialty medication and condition counseling. For customers taking a specialty medication not dispensed by Accredo, Cigna experts will offer this important specialty medication and condition counseling.

### Clinical Day Supply Program

Your plan includes the Clinical Day Supply Program for specialty drugs which provides a balance between specialty drug waste control and improved therapy adherence. During a stabilization period, certain specialty drugs, dispensed by a Cigna designated specialty pharmacy, may be limited to less than a consecutive 90 day supply. Further, for some drugs with a very high risk for early discontinuation, a split-fill (either 14 or 15 days), may be dispensed. Your cost share will be prorated to reflect the actual days' supply dispensed.

### Patient Assurance Program

Your plan includes the Patient Assurance Program, which waives the deductible and reduces the amount you owe for certain medications used to treat chronic conditions included in the program. Additionally:

- Any amount you pay for these medications only count toward meeting your out-of-pocket maximum.
- Any discount provided by a pharmaceutical manufacturer for these medications only count toward meeting your out-of-pocket maximum.

## Additional Information

### Cigna Diabetes Prevention Program in collaboration with Omada

Cigna Diabetes Prevention Program in collaboration with Omada is a program to help you avoid the onset of diabetes, as well as health risks that might lead to heart disease or a stroke. The program is covered by your health plan at the preventive level, just like for your wellness visit. Program participants have access to a professional virtual health coach, an online support group, interactive lessons, and a smart-technology scale. The program will help you make small changes in your eating, activity, sleep, and stress to achieve healthy weight loss through a series of 16 weekly lessons and tools to help you maintain weight loss over time. You will also be offered the opportunity to join a gym for a low monthly fee and no enrollment fee.

## Additional Information

### Maximum Reimbursable Charge

The allowable covered expense for non-network services is based on the lesser of the health care professional's normal charge for a similar service or a percentage of a fee schedule (110%) developed by Cigna that is based on a methodology similar to one used by Medicare to determine the allowable fee for the same or similar service in a geographic area. In some cases, the Medicare based fee schedule will not be used and the maximum reimbursable charge for covered services is based on the lesser of the health care professional's normal charge for a similar service or a percentile (80th) of charges made by health care professionals of such service or supply in the geographic area where it is received. If sufficient charge data is unavailable in the database for that geographic area to determine the Maximum Reimbursable Charge, then data in the database for similar services may be used. Out-of-network services are subject to a Calendar Year deductible and maximum reimbursable charge limitations.

### Out-of-Network Emergency Services Charges

1. Emergency Services are covered at the In-Network cost-sharing level as required by applicable state or federal law if services are received from a non-participating (Out-of-Network) provider.
2. The allowable amount used to determine the Plan's benefit payment for covered Emergency Services rendered in an Out-of-Network Hospital, or by an Out-of-Network provider in an In-Network Hospital, is the amount agreed to by the Out-of-Network provider and Cigna, or as required by applicable state or federal law.

The member is responsible for applicable In-Network cost-sharing amounts (any deductible, copay or coinsurance). The member is not responsible for any charges that may be made in excess of the allowable amount. If the Out-of-Network provider bills you for an amount higher than the amount you owe as indicated on the Explanation of Benefits (EOB), contact Cigna Customer Service at the phone number on your ID card.

### Medicare Coordination

In accordance with the Social Security Act of 1965, this plan will pay as the Secondary plan to Medicare Part A and B as follows:

- (a) a former Employee such as a retiree, a former Disabled Employee, a former Employee's Dependent, or an Employee's Domestic Partner who is also eligible for Medicare and whose insurance is continued for any reason as provided in this plan (including COBRA continuation);
- (b) an Employee, a former Employee, an Employee's Dependent, or former Employee's Dependent, who is eligible for Medicare due to End Stage Renal Disease after that person has been eligible for Medicare for 30 months.

When a person is eligible for Medicare A and B as described above, this plan will pay as the Secondary Plan to Medicare Part A and B **regardless if the person is actually enrolled in Medicare Part A and/or Part B and regardless if the person seeks care at a Medicare Provider or not for Medicare covered services.**

### One Guide

Available by phone or through myCigna mobile application. One Guide helps you navigate the health care system and make the most of your health benefits and programs.

### Complete Care Management

Pre-authorization is required on all inpatient admissions and selected outpatient procedures, diagnostic testing, and outpatient surgery. Network providers are contractually obligated to perform pre-authorization on behalf of their customers. For an out-of-network provider, the customer is responsible for following the pre-authorization procedures. If a customer does not follow requirements for obtaining pre-treatment authorization, a \$250 penalty will be applied.

**Pre-Existing Condition Limitation (PCL)** does not apply.

## Definitions

**Coinsurance** - After you've reached your deductible, you and your plan share some of your medical costs. The portion of covered expenses you are responsible for is called Coinsurance.

**Copay** - A flat fee you pay for certain covered services such as doctor's visits or prescriptions.

**Deductible** - A flat dollar amount you must pay out of your own pocket before your plan begins to pay for covered services.

**Out-of-Pocket Maximum** - Specific limits for the total amount you will pay out of your own pocket before your plan coinsurance percentage no longer applies. Once you meet these maximums, your plan then pays 100 percent of the "Maximum Reimbursable Charges" or negotiated fees for covered services.

**Place of Service** - Your plan pays based on where you receive services. For example, for hospital stays, your coverage is paid at the inpatient level.

**Prescription Drug List** - The list of prescription brand and generic drugs covered by your pharmacy plan.

**Professional Services** - Services performed by Surgeons, Assistant Surgeons, Hospital Based Physicians, Radiologists, Pathologists and Anesthesiologists

**Transition of Care** - Provides in-network health coverage to new customers when the customer's doctor is not part of the Cigna network and there are approved clinical reasons why the customer should continue to see the same doctor.

## Exclusions

The Summary of Benefits and Coverage (SBC) document will help you choose a health [plan](#). The SBC shows you how you and the [plan](#) would share the cost for covered health care services. **NOTE:** Information about the cost of this [plan](#) (called the [premium](#)) will be provided separately. This is **only a summary**. For more information about your coverage, or to get a copy of the complete terms of coverage, go online at [www.cigna.com/sp](http://www.cigna.com/sp). For general definitions of common terms, such as [allowed amount](#), [balance billing](#), [coinsurance](#), [copayment](#), [deductible](#), [provider](#), or other underlined terms, see the Glossary. You can view the Glossary at <https://www.healthcare.gov/sbc-glossary> or call 1-866-494-2111 to request a copy.

Important Questions	Answers	Why This Matters:
<b>What is the overall <a href="#">deductible</a>?</b>	For <a href="#">in-network providers</a> : \$3,000/individual or \$6,000/family For <a href="#">out-of-network providers</a> : \$7,500/individual or \$15,000/family	Generally, you must pay all of the costs from <a href="#">providers</a> up to the <a href="#">deductible</a> amount before this <a href="#">plan</a> begins to pay. If you have other family members on the <a href="#">plan</a> , each family member must meet their own individual <a href="#">deductible</a> until the total amount of <a href="#">deductible</a> expenses paid by all family members meets the overall family <a href="#">deductible</a> .
<b>Are there services covered before you meet your <a href="#">deductible</a>?</b>	Yes. In-network <a href="#">preventive care</a> & immunizations, out-of-network immunizations through age 5, office visits, <a href="#">prescription drugs</a> , <a href="#">urgent care</a> facility visits.	This <a href="#">plan</a> covers some items and services even if you haven't yet met the <a href="#">deductible</a> amount. But a <a href="#">copayment</a> or <a href="#">coinsurance</a> may apply. For example, this <a href="#">plan</a> covers certain <a href="#">preventive services</a> without <a href="#">cost-sharing</a> and before you meet your <a href="#">deductible</a> . See a list of covered <a href="#">preventive services</a> at <a href="https://www.healthcare.gov/coverage/preventive-care-benefits/">https://www.healthcare.gov/coverage/preventive-care-benefits/</a> .
<b>Are there other <a href="#">deductibles</a> for specific services?</b>	No.	You don't have to meet <a href="#">deductibles</a> for specific services.
<b>What is the <a href="#">out-of-pocket limit</a> for this <a href="#">plan</a>?</b>	For <a href="#">in-network providers</a> : \$7,150/individual or \$14,300/family For <a href="#">out-of-network providers</a> : \$15,000/individual or \$30,000/family Combined medical/behavioral and pharmacy <a href="#">out-of-pocket limit</a>	The <a href="#">out-of-pocket limit</a> is the most you could pay in a year for covered services. If you have other family members in this <a href="#">plan</a> , they have to meet their own <a href="#">out-of-pocket limits</a> until the overall family <a href="#">out-of-pocket limit</a> has been met.
<b>What is not included in the <a href="#">out-of-pocket limit</a>?</b>	Penalties for failure to obtain <a href="#">pre-authorization</a> for services, <a href="#">premiums</a> , <a href="#">balance-billing</a> charges, and health care this <a href="#">plan</a> doesn't cover.	Even though you pay these expenses, they don't count toward the <a href="#">out-of-pocket limit</a> .

Important Questions	Answers	Why This Matters:
Will you pay less if you use a <a href="#">network provider</a> ?	Yes. See <a href="http://www.cigna.com">www.cigna.com</a> or call 1-866-494-2111 for a list of <a href="#">network providers</a> .	This <a href="#">plan</a> uses a <a href="#">provider network</a> . You will pay less if you use a <a href="#">provider</a> in the <a href="#">plan's network</a> . You will pay the most if you use an <a href="#">out-of-network provider</a> , and you might receive a bill from a <a href="#">provider</a> for the difference between the <a href="#">provider's</a> charge and what your <a href="#">plan</a> pays ( <a href="#">balance billing</a> ). Be aware your <a href="#">network provider</a> might use an <a href="#">out-of-network provider</a> for some services (such as lab work). Check with your <a href="#">provider</a> before you get services.
Do you need a <a href="#">referral</a> to see a <a href="#">specialist</a> ?	No.	You can see the <a href="#">specialist</a> you choose without a <a href="#">referral</a> .

All [copayment](#) and [coinsurance](#) costs shown in this chart are after your [deductible](#) has been met, if a [deductible](#) applies.

## About these Coverage Examples:

**This is not a cost estimator.** Treatments shown are just examples of how this [plan](#) might cover medical care. Your actual costs will be different depending on the actual care you receive, the prices your [providers](#) charge, and many other factors. Focus on the [cost sharing](#) amounts ([deductibles](#), [copayments](#) and [coinsurance](#)) and excluded services under the [plan](#). Use this information to compare the portion of costs you might pay under different health [plans](#). Please note these coverage examples are based on self-only coverage.

## BENEFIT SUMMARY

Cigna Health and Life Insurance Co.  
For - Outwest Express, LLC  
Open Access Plus Plan  
OAPIN Base  
Effective - 08/01/2023

**Selection of a Primary Care Provider** - your plan may require or allow the designation of a primary care provider. You have the right to designate any primary care provider who participates in the network and who is available to accept you or your family members. If your plan requires designation of a primary care provider, Cigna may designate one for you until you make this designation. For information on how to select a primary care provider, and for a list of the participating primary care providers, visit [www.mycigna.com](http://www.mycigna.com) or contact customer service at the phone number listed on the back of your ID card. For children, you may designate a pediatrician as the primary care provider.

**Direct Access to Obstetricians and Gynecologists** - You do not need prior authorization from the plan or from any other person (including a primary care provider) in order to obtain access to obstetrical or gynecological care from a health care professional in our network who specializes in obstetrics or gynecology. The health care professional, however, may be required to comply with certain procedures, including obtaining prior authorization for certain services, following a pre-approved treatment plan, or procedures for making referrals. For a list of participating health care professionals who specialize in obstetrics or gynecology, visit [www.mycigna.com](http://www.mycigna.com) or contact customer service at the phone number listed on the back of your ID card.

**A notice for Texas residents:** This plan does not include an optional rider to cover elective abortions.

## Pharmacy Program Information

### Pharmacy Clinical Management: Essential

Your plan features drug management programs and edits to ensure safe prescribing, and access to medications proven to be the most reliable and cost effective for the medical condition, including:

- Prior authorization requirements
- Step Therapy on select classes of medications and drugs new to the market
- Quantity limits, including maximum daily dose edits, quantity over time edits, duration of therapy edits, and dose optimization edits
- Age edits, and refill-too-soon edits
- Plan exclusion edits
- Current users of Step Therapy medications will be allowed one 30-day fill during the first three months of coverage before Step Therapy program applies.
- Your plan includes Specialty Drug Management features, such as prior authorization and quantity limits, to ensure the safe prescribing and access to specialty medications.
- For customers with complex conditions taking a specialty medication, we will offer Accredo Therapeutic Resource Centers (TRCs) to provide specialty medication and condition counseling. For customers taking a specialty medication not dispensed by Accredo, Cigna experts will offer this important specialty medication and condition counseling.

### Clinical Day Supply Program

Your plan includes the Clinical Day Supply Program for specialty drugs which provides a balance between specialty drug waste control and improved therapy adherence. During a stabilization period, certain specialty drugs, dispensed by a Cigna designated specialty pharmacy, may be limited to less than a consecutive 90 day supply. Further, for some drugs with a very high risk for early discontinuation, a split-fill (either 14 or 15 days), may be dispensed. Your cost share will be prorated to reflect the actual days' supply dispensed.

### Patient Assurance Program

Your plan includes the Patient Assurance Program, which waives the deductible and reduces the amount you owe for certain medications used to treat chronic conditions included in the program. Additionally:

- Any amount you pay for these medications only count toward meeting your out-of-pocket maximum.
- Any discount provided by a pharmaceutical manufacturer for these medications only count toward meeting your out-of-pocket maximum.

## Additional Information

### Cigna Diabetes Prevention Program in collaboration with Omada

Cigna Diabetes Prevention Program in collaboration with Omada is a program to help you avoid the onset of diabetes, as well as health risks that might lead to heart disease or a stroke. The program is covered by your health plan at the preventive level, just like for your wellness visit. Program participants have access to a professional virtual health coach, an online support group, interactive lessons, and a smart-technology scale. The program will help you make small changes in your eating, activity, sleep, and stress to achieve healthy weight loss through a series of 16 weekly lessons and tools to help you maintain weight loss over time. You will also be offered the opportunity to join a gym for a low monthly fee and no enrollment fee.

### Out-of-Network Emergency Services Charges

1. Emergency Services are covered at the In-Network cost-sharing level as required by applicable state or federal law if services are received from a non-participating (Out-of-Network) provider.
2. The allowable amount used to determine the Plan's benefit payment for covered Emergency Services rendered in an Out-of-Network Hospital, or by an Out-of-Network provider in an In-Network Hospital, is the amount agreed to by the Out-of-Network provider and Cigna, or as required by applicable state or federal law.

The member is responsible for applicable In-Network cost-sharing amounts (any deductible, copay or coinsurance). The member is not responsible for any charges that may be made in excess of the allowable amount. If the Out-of-Network provider bills you for an amount higher than the amount you owe as indicated on the Explanation of Benefits (EOB), contact Cigna Customer Service at the phone number on your ID card.

## Additional Information

### Medicare Coordination

In accordance with the Social Security Act of 1965, this plan will pay as the Secondary plan to Medicare Part A and B as follows:

- (a) a former Employee such as a retiree, a former Disabled Employee, a former Employee's Dependent, or an Employee's Domestic Partner who is also eligible for Medicare and whose insurance is continued for any reason as provided in this plan (including COBRA continuation);
- (b) an Employee, a former Employee, an Employee's Dependent, or former Employee's Dependent, who is eligible for Medicare due to End Stage Renal Disease after that person has been eligible for Medicare for 30 months.

When a person is eligible for Medicare A and B as described above, this plan will pay as the Secondary Plan to Medicare Part A and B **regardless if the person is actually enrolled in Medicare Part A and/or Part B and regardless if the person seeks care at a Medicare Provider or not for Medicare covered services.**

### One Guide

Available by phone or through myCigna mobile application. One Guide helps you navigate the health care system and make the most of your health benefits and programs.

### Complete Care Management

Pre-authorization is required on all inpatient admissions and selected outpatient procedures, diagnostic testing, and outpatient surgery. Network providers are contractually obligated to perform pre-authorization on behalf of their customers.

**Pre-Existing Condition Limitation (PCL)** does not apply.

## Definitions

**Coinsurance** - After you've reached your deductible, you and your plan share some of your medical costs. The portion of covered expenses you are responsible for is called Coinsurance.

**Copay** - A flat fee you pay for certain covered services such as doctor's visits or prescriptions.

**Deductible** - A flat dollar amount you must pay out of your own pocket before your plan begins to pay for covered services.

**Out-of-Pocket Maximum** - Specific limits for the total amount you will pay out of your own pocket before your plan coinsurance percentage no longer applies. Once you meet these maximums, your plan then pays 100 percent of the "Maximum Reimbursable Charges" or negotiated fees for covered services.

**Place of Service** - Your plan pays based on where you receive services. For example, for hospital stays, your coverage is paid at the inpatient level.

**Prescription Drug List** - The list of prescription brand and generic drugs covered by your pharmacy plan.

**Professional Services** - Services performed by Surgeons, Assistant Surgeons, Hospital Based Physicians, Radiologists, Pathologists and Anesthesiologists

**Transition of Care** - Provides in-network health coverage to new customers when the customer's doctor is not part of the Cigna network and there are approved clinical reasons why the customer should continue to see the same doctor.

## Exclusions

# DISCRIMINATION IS AGAINST THE LAW

## Medical coverage

Cigna complies with applicable Federal civil rights laws and does not discriminate on the basis of race, color, national origin, age, disability, or sex. Cigna does not exclude people or treat them differently because of race, color, national origin, age, disability, or sex.

Cigna:

- Provides free aids and services to people with disabilities to communicate effectively with us, such as:
  - Qualified sign language interpreters
  - Written information in other formats (large print, audio, accessible electronic formats, other formats)
- Provides free language services to people whose primary language is not English, such as:
  - Qualified interpreters
  - Information written in other languages

If you need these services, contact customer service at the toll-free number shown on your ID card, and ask a Customer Service Associate for assistance.

If you believe that Cigna has failed to provide these services or discriminated in another way on the basis of race, color, national origin, age, disability, or sex, you can file

a grievance by sending an email to [ACAGrievance@Cigna.com](mailto:ACAGrievance@Cigna.com) or by writing to the following address:

The Summary of Benefits and Coverage (SBC) document will help you choose a health [plan](#). The SBC shows you how you and the [plan](#) would share the cost for covered health care services. **NOTE:** Information about the cost of this [plan](#) (called the [premium](#)) will be provided separately. This is **only a summary**. For more information about your coverage, or to get a copy of the complete terms of coverage, go online at [www.cigna.com/sp](http://www.cigna.com/sp). For general definitions of common terms, such as [allowed amount](#), [balance billing](#), [coinsurance](#), [copayment](#), [deductible](#), [provider](#), or other underlined terms, see the Glossary. You can view the Glossary at <https://www.healthcare.gov/sbc-glossary> or call 1-866-494-2111 to request a copy.

Important Questions	Answers	Why This Matters:
What is the overall <a href="#">deductible</a> ?	For <a href="#">in-network providers</a> : \$5,000/individual or \$10,000/family	Generally, you must pay all of the costs from <a href="#">providers</a> up to the <a href="#">deductible</a> amount before this <a href="#">plan</a> begins to pay. If you have other family members on the <a href="#">plan</a> , each family member must meet their own individual <a href="#">deductible</a> until the total amount of <a href="#">deductible</a> expenses paid by all family members meets the overall family <a href="#">deductible</a> .
Are there services covered before you meet your <a href="#">deductible</a> ?	Yes. In-network <a href="#">preventive care</a> & immunizations, office visits, <a href="#">urgent care</a> facility visits.	This <a href="#">plan</a> covers some items and services even if you haven't yet met the <a href="#">deductible</a> amount. But a <a href="#">copayment</a> or <a href="#">coinsurance</a> may apply. For example, this <a href="#">plan</a> covers certain <a href="#">preventive services</a> without <a href="#">cost-sharing</a> and before you meet your <a href="#">deductible</a> . See a list of covered <a href="#">preventive services</a> at <a href="https://www.healthcare.gov/coverage/preventive-care-benefits/">https://www.healthcare.gov/coverage/preventive-care-benefits/</a> .
Are there other <a href="#">deductibles</a> for specific services?	Yes. \$150/individual or \$300/family for <a href="#">prescription drugs</a> . There are no other specific <a href="#">deductibles</a> .	You must pay all of the costs for these services up to the specific <a href="#">deductible</a> amount before this <a href="#">plan</a> begins to pay for these services.
What is the <a href="#">out-of-pocket limit</a> for this <a href="#">plan</a> ?	For <a href="#">in-network providers</a> : \$8,000/individual or \$16,000/family Combined medical/behavioral and pharmacy <a href="#">out-of-pocket limit</a>	The <a href="#">out-of-pocket limit</a> is the most you could pay in a year for covered services. If you have other family members in this <a href="#">plan</a> , they have to meet their own <a href="#">out-of-pocket limits</a> until the overall family <a href="#">out-of-pocket limit</a> has been met.
What is not included in the <a href="#">out-of-pocket limit</a> ?	<a href="#">Premiums</a> , <a href="#">balance-billing</a> charges, and health care this <a href="#">plan</a> doesn't cover.	Even though you pay these expenses, they don't count toward the <a href="#">out-of-pocket limit</a> .
Will you pay less if you use a <a href="#">network provider</a> ?	Yes. See <a href="http://www.cigna.com">www.cigna.com</a> or call 1-866-494-2111 for a list of <a href="#">network providers</a> .	This <a href="#">plan</a> uses a <a href="#">provider network</a> . You will pay less if you use a <a href="#">provider</a> in the <a href="#">plan's network</a> . You will pay the most if you use an <a href="#">out-of-network provider</a> , and you might receive a bill from a <a href="#">provider</a> for the difference between the <a href="#">provider's</a> charge and what your <a href="#">plan</a> pays ( <a href="#">balance billing</a> ). Be aware your <a href="#">network provider</a> might use an <a href="#">out-of-network provider</a> for some services (such as lab work). Check with your <a href="#">provider</a> before you get services.

Important Questions	Answers	Why This Matters:
Do you need a <a href="#">referral</a> to see a <a href="#">specialist</a> ?	No.	You can see the <a href="#">specialist</a> you choose without a <a href="#">referral</a> .

All [copayment](#) and [coinsurance](#) costs shown in this chart are after your [deductible](#) has been met, if a [deductible](#) applies.

## About these Coverage Examples:

**This is not a cost estimator.** Treatments shown are just examples of how this [plan](#) might cover medical care. Your actual costs will be different depending on the actual care you receive, the prices your [providers](#) charge, and many other factors. Focus on the [cost sharing](#) amounts ([deductibles](#), [copayments](#) and [coinsurance](#)) and excluded services under the [plan](#). Use this information to compare the portion of costs you might pay under different health [plans](#). Please note these coverage examples are based on self-only coverage.

# DISCRIMINATION IS AGAINST THE LAW

## Medical coverage

Cigna complies with applicable Federal civil rights laws and does not discriminate on the basis of race, color, national origin, age, disability, or sex. Cigna does not exclude people or treat them differently because of race, color, national origin, age, disability, or sex.

Cigna:

- Provides free aids and services to people with disabilities to communicate effectively with us, such as:
  - Qualified sign language interpreters
  - Written information in other formats (large print, audio, accessible electronic formats, other formats)
- Provides free language services to people whose primary language is not English, such as:
  - Qualified interpreters
  - Information written in other languages

If you need these services, contact customer service at the toll-free number shown on your ID card, and ask a Customer Service Associate for assistance.

If you believe that Cigna has failed to provide these services or discriminated in another way on the basis of race, color, national origin, age, disability, or sex, you can file

a grievance by sending an email to [ACAGrievance@Cigna.com](mailto:ACAGrievance@Cigna.com) or by writing to the following address:

Cigna

## BENEFIT SUMMARY

Cigna Health and Life Insurance Co.  
For - Outwest Express, LLC  
OAP HDHPQ Plan  
OAP HDHPQ  
Effective - 08/01/2023

**Selection of a Primary Care Provider** - your plan may require or allow the designation of a primary care provider. You have the right to designate any primary care provider who participates in the network and who is available to accept you or your family members. If your plan requires designation of a primary care provider, Cigna may designate one for you until you make this designation. For information on how to select a primary care provider, and for a list of the participating primary care providers, visit [www.mycigna.com](http://www.mycigna.com) or contact customer service at the phone number listed on the back of your ID card. For children, you may designate a pediatrician as the primary care provider.

**Direct Access to Obstetricians and Gynecologists** - You do not need prior authorization from the plan or from any other person (including a primary care provider) in order to obtain access to obstetrical or gynecological care from a health care professional in our network who specializes in obstetrics or gynecology. The health care professional, however, may be required to comply with certain procedures, including obtaining prior authorization for certain services, following a pre-approved treatment plan, or procedures for making referrals. For a list of participating health care professionals who specialize in obstetrics or gynecology, visit [www.mycigna.com](http://www.mycigna.com) or contact customer service at the phone number listed on the back of your ID card.

**A notice for Texas residents:** This plan does not include an optional rider to cover elective abortions.

## Pharmacy

## In-Network

## Out-of-Network

- Retail drugs for a 30 day supply may be obtained In-Network at a wide range of pharmacies across the nation although prescriptions for a 90 day supply (such as maintenance drugs) will be available at select network pharmacies.
- Cigna 90 Now Program: You can choose to fill your medications in a 30- or 90-day supply. If you choose to fill a 30-day prescription, it can be filled at any network retail pharmacy or network home delivery pharmacy. If you choose to fill a 90-day prescription, it must be filled at a 90-day network retail pharmacy or network home delivery pharmacy to be covered by the plan.
- Specialty medications are used to treat an underlying disease which is considered to be rare and chronic including, but not limited to, multiple sclerosis, hepatitis C or rheumatoid arthritis. Specialty Drugs may include high cost medications as well as medications that may require special handling and close supervision when being administered.
- You can elect brand or generic with no penalty (MAC C).
- Your pharmacy benefits share an annual deductible and out-of-pocket maximum with the medical/behavioral benefits. The applicable cost share for covered drugs applies after the combined deductible has been met.

### Preventive Drugs:

Federally required preventive drugs will not be subject to deductible and will be provided at no charge. In addition, In-Network Generic preventive drugs and products included in the Preventive Package will not be subject to deductible and will be provided at no charge. This may apply to drugs for:

Asthma, Cholesterol Lowering, Depression, Diabetes (including diabetic supplies but excluding continuous glucose monitor supplies), Heart Disease and Stroke, High Blood Pressure, Osteoporosis, Prenatal Vitamins

## Drugs Covered

### Prescription Drug List:

Your Cigna Advantage Prescription Drug List includes a full range of drugs including all those required under applicable health care laws. Some of the more expensive drugs are excluded when there are less expensive alternatives. To check which drugs are included in your plan, please log on to myCigna.com. Some highlights:

- Coverage includes Self Administered injectable drugs, but excludes infertility drugs.
- Contraceptive devices and drugs are covered with federally required products covered at 100%.

## Pharmacy Program Information

### Pharmacy Clinical Management: Essential

Your plan features drug management programs and edits to ensure safe prescribing, and access to medications proven to be the most reliable and cost effective for the medical condition, including:

- Prior authorization requirements
- Step Therapy on select classes of medications and drugs new to the market
- Quantity limits, including maximum daily dose edits, quantity over time edits, duration of therapy edits, and dose optimization edits
- Age edits, and refill-too-soon edits
- Plan exclusion edits
- Current users of Step Therapy medications will be allowed one 30-day fill during the first three months of coverage before Step Therapy program applies.
- Your plan includes Specialty Drug Management features, such as prior authorization and quantity limits, to ensure the safe prescribing and access to specialty medications.
- For customers with complex conditions taking a specialty medication, we will offer Accredo Therapeutic Resource Centers (TRCs) to provide specialty medication and condition counseling. For customers taking a specialty medication not dispensed by Accredo, Cigna experts will offer this important specialty medication and condition counseling.

## Pharmacy Program Information

### Clinical Day Supply Program

Your plan includes the Clinical Day Supply Program for specialty drugs which provides a balance between specialty drug waste control and improved therapy adherence. During a stabilization period, certain specialty drugs, dispensed by a Cigna designated specialty pharmacy, may be limited to less than a consecutive 90 day supply. Further, for some drugs with a very high risk for early discontinuation, a split-fill (either 14 or 15 days), may be dispensed. Your cost share will be prorated to reflect the actual days' supply dispensed.

### Patient Assurance Program

Your plan includes the Patient Assurance Program, which waives the deductible and reduces the amount you owe for certain medications used to treat chronic conditions included in the program. Additionally:

- Any amount you pay for these medications only count toward meeting your out-of-pocket maximum.
- Any discount provided by a pharmaceutical manufacturer for these medications only count toward meeting your out-of-pocket maximum.

## Additional Information

### Cigna Diabetes Prevention Program in collaboration with Omada

Cigna Diabetes Prevention Program in collaboration with Omada is a program to help you avoid the onset of diabetes, as well as health risks that might lead to heart disease or a stroke. The program is covered by your health plan at the preventive level, just like for your wellness visit. Program participants have access to a professional virtual health coach, an online support group, interactive lessons, and a smart-technology scale. The program will help you make small changes in your eating, activity, sleep, and stress to achieve healthy weight loss through a series of 16 weekly lessons and tools to help you maintain weight loss over time. You will also be offered the opportunity to join a gym for a low monthly fee and no enrollment fee.

### Maximum Reimbursable Charge

The allowable covered expense for non-network services is based on the lesser of the health care professional's normal charge for a similar service or a percentage of a fee schedule (110%) developed by Cigna that is based on a methodology similar to one used by Medicare to determine the allowable fee for the same or similar service in a geographic area. In some cases, the Medicare based fee schedule will not be used and the maximum reimbursable charge for covered services is based on the lesser of the health care professional's normal charge for a similar service or a percentile (80th) of charges made by health care professionals of such service or supply in the geographic area where it is received. If sufficient charge data is unavailable in the database for that geographic area to determine the Maximum Reimbursable Charge, then data in the database for similar services may be used. Out-of-network services are subject to a Calendar Year deductible and maximum reimbursable charge limitations.

### Out-of-Network Emergency Services Charges

1. Emergency Services are covered at the In-Network cost-sharing level as required by applicable state or federal law if services are received from a non-participating (Out-of-Network) provider.
2. The allowable amount used to determine the Plan's benefit payment for covered Emergency Services rendered in an Out-of-Network Hospital, or by an Out-of-Network provider in an In-Network Hospital, is the amount agreed to by the Out-of-Network provider and Cigna, or as required by applicable state or federal law.

The member is responsible for applicable In-Network cost-sharing amounts (any deductible, copay or coinsurance). The member is not responsible for any charges that may be made in excess of the allowable amount. If the Out-of-Network provider bills you for an amount higher than the amount you owe as indicated on the Explanation of Benefits (EOB), contact Cigna Customer Service at the phone number on your ID card.

## Additional Information

### Medicare Coordination

In accordance with the Social Security Act of 1965, this plan will pay as the Secondary plan to Medicare Part A and B as follows:

- (a) a former Employee such as a retiree, a former Disabled Employee, a former Employee's Dependent, or an Employee's Domestic Partner who is also eligible for Medicare and whose insurance is continued for any reason as provided in this plan (including COBRA continuation);
- (b) an Employee, a former Employee, an Employee's Dependent, or former Employee's Dependent, who is eligible for Medicare due to End Stage Renal Disease after that person has been eligible for Medicare for 30 months.

When a person is eligible for Medicare A and B as described above, this plan will pay as the Secondary Plan to Medicare Part A and B **regardless if the person is actually enrolled in Medicare Part A and/or Part B and regardless if the person seeks care at a Medicare Provider or not for Medicare covered services.**

### One Guide

Available by phone or through myCigna mobile application. One Guide helps you navigate the health care system and make the most of your health benefits and programs.

### Complete Care Management

Pre-authorization is required on all inpatient admissions and selected outpatient procedures, diagnostic testing, and outpatient surgery. Network providers are contractually obligated to perform pre-authorization on behalf of their customers. For an out-of-network provider, the customer is responsible for following the pre-authorization procedures. If a customer does not follow requirements for obtaining pre-treatment authorization, a \$250 penalty will be applied.

**Pre-Existing Condition Limitation (PCL)** does not apply.

## Definitions

**Coinsurance** - After you've reached your deductible, you and your plan share some of your medical costs. The portion of covered expenses you are responsible for is called Coinsurance.

**Copay** - A flat fee you pay for certain covered services such as doctor's visits or prescriptions.

**Deductible** - A flat dollar amount you must pay out of your own pocket before your plan begins to pay for covered services.

**Out-of-Pocket Maximum** - Specific limits for the total amount you will pay out of your own pocket before your plan coinsurance percentage no longer applies. Once you meet these maximums, your plan then pays 100 percent of the "Maximum Reimbursable Charges" or negotiated fees for covered services.

**Place of Service** - Your plan pays based on where you receive services. For example, for hospital stays, your coverage is paid at the inpatient level.

**Prescription Drug List** - The list of prescription brand and generic drugs covered by your pharmacy plan.

**Professional Services** - Services performed by Surgeons, Assistant Surgeons, Hospital Based Physicians, Radiologists, Pathologists and Anesthesiologists

**Transition of Care** - Provides in-network health coverage to new customers when the customer's doctor is not part of the Cigna network and there are approved clinical reasons why the customer should continue to see the same doctor.

The Summary of Benefits and Coverage (SBC) document will help you choose a health [plan](#). The SBC shows you how you and the [plan](#) would share the cost for covered health care services. **NOTE:** Information about the cost of this [plan](#) (called the [premium](#)) will be provided separately. This is **only a summary**. For more information about your coverage, or to get a copy of the complete terms of coverage, go online at [www.cigna.com/sp](http://www.cigna.com/sp). For general definitions of common terms, such as [allowed amount](#), [balance billing](#), [coinsurance](#), [copayment](#), [deductible](#), [provider](#), or other underlined terms, see the Glossary. You can view the Glossary at <https://www.healthcare.gov/sbc-glossary> or call 1-866-494-2111 to request a copy.

Important Questions	Answers	Why This Matters:
<b>What is the overall <a href="#">deductible</a>?</b>	For <a href="#">in-network providers</a> : \$5,000/individual - employee only or \$10,000/family maximum (no more than \$5,000 per individual - within a family) For <a href="#">out-of-network providers</a> : \$5,000/individual - employee only or \$10,000/family maximum (no more than \$5,000 per individual - within a family) Combined medical/behavioral and pharmacy deductible	Generally, you must pay all of the costs from <a href="#">providers</a> up to the <a href="#">deductible</a> amount before this <a href="#">plan</a> begins to pay. If you have other family members on the <a href="#">plan</a> , each family member must meet their own individual <a href="#">deductible</a> until the total amount of <a href="#">deductible</a> expenses paid by all family members meets the overall family <a href="#">deductible</a> .
<b>Are there services covered before you meet your <a href="#">deductible</a>?</b>	Yes. In-network <a href="#">preventive care</a> & immunizations, out-of-network immunizations through age 5, in-network generic preventive drugs.	This <a href="#">plan</a> covers some items and services even if you haven't yet met the <a href="#">deductible</a> amount. But a <a href="#">copayment</a> or <a href="#">coinsurance</a> may apply. For example, this <a href="#">plan</a> covers certain <a href="#">preventive services</a> without <a href="#">cost-sharing</a> and before you meet your <a href="#">deductible</a> . See a list of covered <a href="#">preventive services</a> at <a href="https://www.healthcare.gov/coverage/preventive-care-benefits/">https://www.healthcare.gov/coverage/preventive-care-benefits/</a> .
<b>Are there other <a href="#">deductibles</a> for specific services?</b>	No.	You don't have to meet <a href="#">deductibles</a> for specific services.
<b>What is the <a href="#">out-of-pocket limit</a> for this <a href="#">plan</a>?</b>	For <a href="#">in-network providers</a> : \$6,000/individual - employee only or \$12,000/family maximum (no more than \$6,000 per individual - within a family) For <a href="#">out-of-network providers</a> : \$10,000/individual - employee only or \$20,000/family maximum (no more than \$10,000 per individual - within a family) Combined medical/behavioral and pharmacy <a href="#">out-of-pocket limit</a>	The <a href="#">out-of-pocket limit</a> is the most you could pay in a year for covered services. If you have other family members in this <a href="#">plan</a> , they have to meet their own <a href="#">out-of-pocket limits</a> until the overall family <a href="#">out-of-pocket limit</a> has been met.
<b>What is not included in the <a href="#">out-of-pocket limit</a>?</b>	Penalties for failure to obtain <a href="#">pre-authorization</a> for services, <a href="#">premiums</a> , <a href="#">balance-billing</a> charges, and health care this <a href="#">plan</a> doesn't cover.	Even though you pay these expenses, they don't count toward the <a href="#">out-of-pocket limit</a> .

Important Questions	Answers	Why This Matters:
Will you pay less if you use a <a href="#">network provider</a> ?	Yes. See <a href="http://www.cigna.com">www.cigna.com</a> or call 1-866-494-2111 for a list of <a href="#">network providers</a> .	This <a href="#">plan</a> uses a <a href="#">provider network</a> . You will pay less if you use a <a href="#">provider</a> in the <a href="#">plan's network</a> . You will pay the most if you use an <a href="#">out-of-network provider</a> , and you might receive a bill from a <a href="#">provider</a> for the difference between the <a href="#">provider's</a> charge and what your <a href="#">plan</a> pays ( <a href="#">balance billing</a> ). Be aware your <a href="#">network provider</a> might use an <a href="#">out-of-network provider</a> for some services (such as lab work). Check with your <a href="#">provider</a> before you get services.
Do you need a <a href="#">referral</a> to see a <a href="#">specialist</a> ?	No.	You can see the <a href="#">specialist</a> you choose without a <a href="#">referral</a> .

All [copayment](#) and [coinsurance](#) costs shown in this chart are after your [deductible](#) has been met, if a [deductible](#) applies.
