

Believe in Better

COTTINGHAM & BUTLER HOLIDAY DRIVE

November 24 – December 12

GIVING BACK TOGETHER

Toys for Tots collects gifts for less fortunate children. **Send a message of hope through a toy.** All donations remain local.

Give women and children who are experiencing homelessness a hand up in the world. Opening Doors provides housing and life coaching.

The Barriers Project, partnering with Foundation for Dubuque Public Schools (FDPS), provides **basic needs** to help students succeed.

We're aiming to provide 3,000 meals through direct donations. **Think of the difference you can make.**
