

Teammate Spotlight

Getting to Know Dave Miller

Client Consultant | Madison Office

List 5 things people should know about you.

- 1 After spending 25+ years in Human Resources, I made the decision to focus on my favorite part of HR - Benefits.
- 2 I have lived in the Madison area my entire life.
- 3 I have 3 adult children and 2 grandchildren, plus 2 more on the way.
- 4 I am a huge sports fan- everything Wisconsin from the Badgers to Brewers to the Bucks and of course the Packers.
- 5 One hobby outside of work is getting out in nature, exploring, and doing a lot of fishing.

If you could have dinner with any 3 people, dead or alive, who would they be and why?

1st would be my wife. Any time with her is always the best.

2nd would be my dad. He passed away when I was 34. He never really got a chance to know my kids enough or meet my grandkids.

3rd would be Vince Lombardi. Great leader of a great team.

If you could travel anywhere in the world, where would you go and why?

I'd love to go to Alaska. I'd love to visit all the parks and do some halibut fishing. It would be cool to see the icebergs and see a whale breach.

If you could only eat one cuisine for the rest of your life, what would it be?

Tough between Mexican and Italian.

If you could switch jobs with anyone else (in the company or outside) for a day, who would it be and why?

No question-Matt Arnold- General Manager and President of Baseball Operations for the Milwaukee Brewers.
