

Practice Activities Committee (PAC)

The goal of the Benefits PAC is to build comradery and enhance engagement among the entire Benefits practice. We aim to improve our relationships outside of work to create stronger working relationships to better serve clients.

Take a trip down memory lane with us as we look back on PAC events from the last few months!

Paddle Hut Tournament (May 21):

The Des Plaines office gathered at Park Ridge Country Club for an afternoon tournament featuring food, drinks, and competitive fun. Everyone enjoyed the team-based format and had a great time competing together in this engaging event. Congrats to Zach Scott and Brian Grant (P&C) for winning the tournament.

American Lady Cruise (June 18):

The benefits practice enjoyed a scenic Mississippi River cruise aboard the American Lady, sponsored by MetLife as a Q2 Pre-Symposium networking event. Despite light rain, attendees had a wonderful time sailing and connecting over appetizers and drinks.

Anything But A Putter (July 10):

The Dubuque PAC hosted a creative mini golf tournament where participants used unconventional "putters". Cole Skelton won with the best score using a chair, while Kevin Felderman earned most creative putter with his leaf blower.

Upcoming Events

Wisconsin Summer Picnic (August 6):

Wisconsin offices will gather for their summer picnic following the WI town hall. Join colleagues for food, fun, and relaxation as we celebrate the summer season together.

Dubuque Summer Picnic (August 14):

The Dubuque office is invited to the Annual Summer Picnic at the C&B Plaza. While the RSVP deadline for food vouchers has passed, all are still welcome to join the festivities and connect with colleagues in this relaxed summer setting.
